New Member Information

Thank you for your interest in Historic Monument Merchants' Association!

Our Mission Statement: HMMA promotes historic downtown Monument as a regional destination of small town values, friendliness, helpfulness, and community building. HMMA encourages residents and visitors to experience shopping, dining, and personal services. We strive to:

- promote responsible development
- preserve and enhance historic character
- encourage an active lifestyle
- create partnerships
- support the arts

Why join HMMA?

Our merchants have decades of business experience in downtown Monument. Sharing these experiences, community connections, and local knowledge, our association helps members grow their businesses and is more than the sum of its parts.

We stretch advertising and publicity dollars by jointly promoting the historic downtown district, and downtown events such as Art Hop, Safe Trick or Treat, Holiday Open House, and Small Town Christmas. These events are well attended by both the local and regional community.

Our merchants are community leaders who enjoy productive relationships with town officials and the local community. We are a trusted source of what's happening and influence the town to continually improve the downtown district. Working together we've accomplished many downtown improvements, including the band shell at Limbach Park.

We meet monthly the first Wednesday of the month to conduct association business, and meet quarterly for informal social gathering.

Dues are currently \$25 per month and are billed quarterly, semi-annually, or annually. The association's policy is to drop your listing if dues remain unpaid.

Your responsibilities as a member of HMMA:

1. Attend and participate in meetings
2. Volunteer to help with HMMA events
3. Pay dues and fees on time
4. Respond promptly to email requests for information, event copy, etc.
